4) CONDITIONS FOR THE APPLICATION ACCEPTANCE:

1

Research papers must be written as the result of your research and compilations that have not been published anywhere before. The studies submitted for evaluation to PPP Research Center must not have been used or sent for evaluation elsewhere for any reason.

2

The language of the research papers must be English.

3

Research papers must comply with academic writing and reference rules accepted by international authorities (including Chicago, APA, etc.). Otherwise, they shall be considered plagiarism.

4

No author can claim any rights over PPPCOE publications.

5

Each study's intellectual property and scientific responsibility belongs unilaterally to the author. PPP Research Center and the board of directors cannot be held liable in this regard.

6

All rights to the research papers submitted by the writers are transferred to PPP Research Center by the author(s). No signature or approval information is required from the author(s) for this process.

7

PPPCOE shall decide the place and date of the publishing.

8

PPP Research Center does not guarantee to publish all submitted papers. Only approved papers will be included in the journal.

Please submit to: publication@pppcoe.com
